

Hi,

I'm involved with a fertility support group called Moms in the Making. Moms in the Making is a non-profit, faith-based group which started in 2013. Their headquarters are in Dallas, TX, but Moms in the Making reaches a worldwide audience through an online support group and 15 in-person support groups throughout the United States.

Last year they held their 1<sup>st</sup> national conference which sold out, bringing in an audience from 32 states and 3 countries. I am so excited to attend the conference this year, which is taking place October 12-13 in Dallas, Texas and I thought you might benefit by being a sponsor. Would you be interested in partnering up with Moms in the Making for the 2<sup>nd</sup> annual life-changing conference that will have a direct impact on ladies from all over the world?

Moms in the Making has sponsorship levels ranging from \$50 to \$5,000 and if becoming a sponsor for the Moms in the Making conference is something that interests you, I am happy to connect you with the VP of Sponsorships or you can email them directly at [sponsorships@momsinthemakinggroup.com](mailto:sponsorships@momsinthemakinggroup.com) to find out more information. Please let them know I referred you.

One last thing, if you know of anyone else that would benefit from a group of loving supportive women as they navigate their fertility journey, please point them to me so I can share the blessing.

Thank you,
